

Microsoft Discounts for Students

In partnership with Dell and Microsoft, School District has entered into a Microsoft School Agreement which allows students to purchase select Microsoft products at huge discounts for home use. The software is the full product and is not bound to District 51, beyond the initial purchase. The District has commissioned E-Academy Corporation to process the orders and orders need to be submitted online. In order to qualify, Students must submit proof they are District 51 students at the time of purchase.

Go to <http://mesa.k12.co.onthehub.com> and follow the steps below:

1. Click on the product you want to purchase
2. Click on the version you want (District 51 computers have **MS Office Professional Plus 2010**)
3. Click on **Add To Cart**
4. Click **Register**
5. Choose **Student/Parent**
6. Choose **I will submit a copy of my student ID, report card; class list, etc.** (don't choose the email option as student District mail is INTERNAL only and can't receive email from E-Academy.
7. Complete the registration form
8. Print the completed form and fax along with a copy of your report card or dated student schedule to **(866) 469-7512**
9. Email confirmations will be sent to the email address you provided on the registration form.

Your item(s) will arrive T your home via US Mail.
